

Election timetable for the 2021-25 Term:

Presidential Election – March 2020 ✓
Nominations for Management Committee – May 2020 ✓
Elections for Management Committee – July 2020
Regional Committee Chair Elections – October 2020
Regional Committee Members Nominations – January 2021
Regional Committee Elections – March 2021

14th July 2020.

Elections for the **ILAE Vice President, Secretary General and Treasurer** for the 2021-25 term are open. According to the Constitution, all newly elected members of the Executive Committee must be primary members of different countries, and not more than two can come from the same region. In consequence, as Dr. J Helen Cross from the United Kingdom has been elected as the next President, only one more candidate from Europe, but not from the United Kingdom, can be elected. Of all other regions, up to two candidates can be elected.

According to our By-Laws, the Election Committee is tasked with compiling a list of up to fifteen candidates who have received multiple nominations from Chapters and are eligible and willing to serve. Nineteen such persons were identified; of these, six declined their candidacy. As such, Chapters have received a voting form with a list of thirteen candidates representing six regions. Candidates' CVs and Election Statements are posted below.

Chapters have been asked to vote for five persons from at least three regions on the list. If they vote for less than five candidates, the vote must include candidates from three regions.

Ballots will be invalid for the following reasons:

- 1. voting for more than three candidates from one region**
- 2. voting for candidates from less than three regions**
- 3. voting for less than three candidates**
- 4. submitting more than one vote for a candidate**

Voting is not specific for any of the three offices. The appointment of the three elected officers to the specific offices is the responsibility of the President-elect with advice from the Election Committee. In this part of the election, chapters' votes are weighted according to their size as follows

up to 50 members:	1 vote
51- 150 members:	2 votes
151 – 350 members:	3 votes
351 – 750 members:	4 votes
751 – 1500 members:	5 votes
above 1500 members:	6 votes

Chapters that do not collect dues have 1 vote.

Only one ballot may be submitted per Chapter. Should any Chapter member wish to participate, please contact your Chapter's executive committee.
