

Letter of Intent for the post of Elections for Members of the Commission on Asian and Oceanian Affairs for the 2017-2021 Term

Dear CAOAF Friends,

Warm Greetings

Indian Epilepsy Society has nominated its current Secretary-General Dr. (Professor) Man Mohan Mehndiratta one of its sincere, dedicated, committed and experienced member and Current for CAOAF Management Committee and I am making a humble request to CAOAF chapters to seek your support for him to be elected to the CAOAF Management Committee.

I have more than 30 years of academic, research, administration and organization Experience and had been engaged in

- **Delivered more than 200 talks for updating the knowledge of residents, physicians and Neurologists. Epilepsy care in PWE in the RESOURCE LIMITED COUNTRIES.**
- **Epilepsy Education of PWE, their Caregivers, family physicians, General Physicians, residents and Neurologists.**
- **An Academician Par Excellence**
- **Excellent organizer. Organized Indian Epilepsy Congresses, AOEC, ASEPA Exams, Regularly organizing Epilepsy Schools and EEG workshops.**
- **Done tremendous works serving as Treasurer, Secretary-General of Indian Epilepsy Society (ILAE Affiliate).**
- **And have been an administrator for more than 20 years in IES.**
- **CAOAF and ASEPA member for four years.**
- **Awarded AMBASSADOR FOR EPILEPSY AWARD in 2007.**

Currently I am serving as **Editor-In-Chief for International Journal of Epilepsy** which is an official Journal of Indian Epilepsy Society and is now indexed in Scopus and the Journal comprise of national and International Board members.

- **Convener for IES-Phenobarbitone Consensus Document** which was peer reviewed and highly appreciated by International and national experts.
- **Convener for Indian Epilepsy Society- Valproic Acid: Indian Consensus Document** which was peer reviewed and highly appreciated by International and National experts.

I have *felt the need of education, the pain and difficulties of PWE specially in the resource limited countries and is committed to educate and alleviate the sufferings of PWE and reduce the treatment gap world over.*

On behalf of Indian Epilepsy Society, we would really appreciate your support

With best wishes and warm regards,

Sincerely yours,

Man Mohan Mehndiratta
Secretary-General Indian Epilepsy Society
