

## EPILEPSY RESEARCH AWARD FOR OUTSTANDING CONTRIBUTIONS TO THE PHARMACOLOGY OF ANTIEPILEPTIC DRUGS

The International League Against Epilepsy (ILAE) has sponsored an award of \$5,000 and a Certification of Citation to be awarded by the American Society for Pharmacology and Experimental Therapeutics, for the purpose of recognizing and stimulating outstanding research leading to better clinical control of epileptic seizures. This research may include the basic screening and testing of new therapeutic agents, studies on mechanisms of action, metabolic disposition, pharmacokinetics, and clinical pharmacology studies.

The recipient will be selected by the Epilepsy Award Committee appointed by the President of ASPET, with representation of ILAE. Judgment will be based upon the significance of the candidate's contribution to the treatment of epileptic seizures in human subjects. Selection will be free of any restrictions on age, sex, nationality, institutional affiliation, or membership in scientific societies. The nominee must be actively engaged in research for which the Award is made, and primary emphasis will be placed upon work accomplished in the five-year period prior to each Award.

Nominations for the Award may be submitted by members of any recognized scientific association, domestic or foreign.

Nominations shall be submitted **electronically** to [jane.nelson@aspet.org](mailto:jane.nelson@aspet.org) and shall consist of:

1. A summary describing the nominee's major achievements.
2. Candidate's curriculum vitae and bibliography.
3. Six of the nominee's most significant papers, published or accepted for publication (provided as PDFs or as hyperlinks to the article). **Submit each manuscript PDF as a separate attachment.**

The biennial award shall be presented to the recipient at the annual meeting of ASPET. Hotel and economy airfare for the recipient and his/her spouse will be provided.

Nominations for this Award must be received no later than 5:00 pm on **September 15** of the year prior to the year in which it is to be awarded.
