3. “Diálogos em Epilepsia” (Dialogues in Epilepsy)

Meetings taking place 4 times a year, except in 2020 due to pandemia

LPCE organizes these clinical cases discussions/review; all first authors are young physicians (young neurologists or neuropsychiatrists).

Integrated in our program formation and sensibilisation for epileptology field, both for neurologists and neuropsychiatrists-

A 250 euros awards are attributed to best communications

4. Fórum de Centros Cirúrgicos /Surgical Centers Meetings

A LPCE organizes twice these meetings, one of them with an invited colleague from a international center. All five centres of epilepsy surgery participate in these meetings, with presentations and

discussion of clinical cases. Each center can have 5-10 invited colleagues that can participate in the discussion.

- In 2019 the first Forum took place at 7 mars , close to 31º ENE, Porto with participation of Lorella Minoti and Stephan Charades from HU Grenoble and the second one at 13 de novembro, included in the program of Portuguese Society of Neurology (SPN) Congress, Coimbra
