THE 4TH INTERNATIONAL CONFERENCE ON MOLECULAR NEURODEGENERATION CALL FOR ABSTRACTS

On behalf of the organizing committee of the ICMN 2016, we cordially invite you to the 4th International Conference on Molecular Neurodegeneration and submit your abstracts to share your latest insights and development in molecular neurodegeneration.

Under the theme of *ICMN 2016: Novel Systems and Emerging Concepts*, we anticipate more than 450 participants (including neurologists, psychiatrists and neurosurgeons) from 20 different countries. We truly believe that ICMN 2016 will be the premier occasion for all of us to get caught up on the latest research trends, share valuable information and continue to build our network from East to West.

Below is important information on the conference overview as well as guidelines and key dates for abstract submission. We welcome your inquiries and look forward to seeing you at ICMN 2016!
