INTRODUCTION

This ASEPA epilepsy-training course invited Professor Chong Wong, an internationally renowned neurologist and epilepsy expert from Australia, as well as a number of senior and famous advanced doctors in Taiwan, as lecturers and mentors. These instructors have extensive clinical experience and academic achievements, and we believe that all participants will have a memorable learning experience through lean group interactive discussions.

Through extensive and in-depth curriculum design, a high-quality teaching team, and diverse learning methods, the Asian Epilepsy Academy (ASEPA) epilepsy training courses hope to bring new learning opportunities to epilepsy professionals in Asia, thereby benefiting many epilepsy patients and families. If you are interested in delving deeper into the field of epilepsy, you may wish to seize the opportunity of ASEPA courses and work together to create a bright future for epilepsy care in Asia.
