

**Thank you for taking an interest into the ILAE School on Neuroimaging (AMIE & SuSIE)!**

**Can I still register and join the event?**

Registration for the 2023 ILAE School on Neuroimaging (AMIE & SuSIE) has been closed on 31st May 2023. No further participants can be admitted.

**I have pre-registered, will I be able to join all the workshops in the program?**

Due to the high number of registrations, in-person participation of the workshops on 15th and 17th June 2023 has been limited. If you have not received a separate email inviting you to a particular session, you won't be able to join. We are happy to welcome everyone who registered to the Lecture Day on 16th June 2023. The link for that online session will be provided via email.

**How can I join the online workshop that I have pre-registered to?**

We have received >1800 registrations for the 2023 ILAE School on Neuroimaging. The workshops on 15<sup>th</sup> and 17<sup>th</sup> June 2023 are planned as an interactive format between lecturer and participants, which is only possible with a limited number of people. We have therefore drawn lots for these spots. If you have not received an email inviting you as an in-person participant to one of the workshops, you will not be able to log on. You will be able to see the recording of the session that you are interested in up until one month after the event.

**How can I join the Lecture Day?**

The Lecture Day on 16<sup>th</sup> June 2023 will be live streamed on our private YouTube channel. If you have registered through our online Google Form you should have received an email containing the link to our channel. If you have registered but did not receive an email, please check the spam folder of your email account.

**I need a certificate of attendance for the workshop I attended in person and/ or the Lecture Day. How can I get one?**

Please complete the ILAE online survey. If you attended one of the workshops you should have received your certificate for the workshop shortly after the session. For the Lecture Day certificates of attendance will be send out to all participants in the following days.
