WELCOME LETTER FROM THE CHAIRS OF THE SCIENTIFIC ADVISORY AND ORGANISING COMMITTEE

Dear Friends and Colleagues,

On behalf of the Scientific Advisory and Organising Committee, it gives us great pleasure to welcome you to the 1st African Epilepsy Congress (AEC) in Nairobi, Kenya. This congress has been organised jointly by the Commission on African Affairs of the International League Against Epilepsy (ILAE) and the African Regional Committee of the International Bureau for Epilepsy (IBE).

As the first ILAE and IBE congress in this region, we have been fully committed to ensuring the scientific programme is of the highest calibre. The scientific programme contains plenary sessions, topical lectures and lively interactive sessions. More than forty local, regional and international speakers will present on a wide range of topics that are highly relevant to recent scientific, clinical and social developments in epilepsy.

To mark the momentous occasion of the 1st African Epilepsy Congress, we are honoured to have four Past Presidents of the ILAE participating in the scientific programme. This session is taking place on Thursday 21st June and affords delegates a unique opportunity to interact with the Past Presidents.

Our host city of Nairobi has much to offer during your stay. Vibrant and bustling, it boasts a rich history, a remarkable fine dining scene and notable wildlife conservation projects, which we are sure you will find appealing.

We hope that you will take this opportunity to benefit from the scientific programme, share information with acquaintances, and enjoy your stay in the capital and largest city of Kenya.

We look forward to welcoming you to Nairobi.

WELCOME MESSAGE FROM THE PRESIDENTS OF THE INTERNATIONAL LEAGUE AGAINST EPILEPSY (ILAE) AND THE INTERNATIONAL BUREAU FOR EPILEPSY (IBE)

Dear Friends,

On behalf of both the International League Against Epilepsy (ILAE) and the International Bureau for Epilepsy (IBE), it is our pleasure to welcome you to Nairobi for the 1st African Epilepsy Congress.

As the inaugural congress in this region, the 1st African Epilepsy Congress promises to be second to none in providing a world-class congress experience. Internationally-renowned researchers will present on subjects at the forefront of epilepsy research and care.

A carefully selected mix of lectures, interactive sessions and workshops will ensure a widely varied programme with international appeal and regional relevance.

We hope that you enjoy the congress and we look forward to welcoming you to future events.

With warm regards,

Solomon L. Moshé

Posters on Display	09:00 - 17:00	09:00 - 17:00	09:00 - 12:50
Exhibition	09:00 - 17:00	09:00 - 17:00	09:00 - 12:00
Coffee Breaks	11:00 - 11:30 16:20 - 16:50	11:00 - 11:30 16:20 - 16:50	11:00 - 11:30
Lunch	12:50 - 13:50	12:50 - 13:50	-

Certificate of Attendance

A Certificate of Attendance will be available for collection by delegates from the registration area on Saturday 23rd June between 09:00-13:00.

Coffee Breaks and Lunch

Complimentary coffee, tea and snacks will be served in the exhibition area in the marquee to the rear of the Crowne Plaza Hotel (exit via the front entrance) from 11:00-11:30 on Thursday, Friday and Saturday and 16:20-16:50 on Thursday and Friday. A complimentary lunch will be served in Baraza Restaurant, ground floor of the Crowne Plaza Hotel on Thursday and Friday between 12:50-13:50.

Exhibition

The exhibition area is situated in the grounds of the venue in the marquee. Exhibition opening times are listed on the Facilities Overview. Exhibitor badges (pre-registered exhibitors only) will be available for collection at the registration area.

Internet

Wifi will be available to delegates free of charge. Please note wifi will be available during congress opening hours only.

Language

The official language of the 1st African Epilepsy Congress is English. Please note translation facilities are not provided.

GENERAL CONGRESS INFORMATION

Liability and Insurance

The Congress Organisers will not accept any liability for death, personal injury, accidents, theft, loss or damage to persons, property or belongings of participants or accompanying persons, either before, during or following the congress, tours or their stay in Kenya. It is therefore recommended that participants arrange their own personal health, accident and travel insurance.

Posters

Posters are exhibited in the Pre-function / Foyer area of the congress venue. Posters will be on display from 09:00-17:00 on Thursday and Friday and from 09:00-12:50 on Saturday. Poster presenters are required to set up their posters between 08:00 and 09:00 on Thursday 21st June. Posters must be removed between 12:50-13:50 on Saturday 23rd June.

Registration

The registration area is located in the foyer area of the Crowne Plaza Hotel; congress bags can also be collected from this point. Please note that name badges must be worn at all times.

Replacement Badges

Please note that a fee of US\$50 will be charged for a replacement badge.

Secretariat Office

Members of the Congress Secretariat can be contacted at the registration area which is located in the foyer of the Crowne Plaza Hotel.

For queries arising after the congress, please contact:

PRACTICAL INFORMATION ON NAIROBI

About Nairobi

Modern Nairobi is still the safari capital of Africa, but the modern world has quickly caught up with the city. A frontier town no more, Nairobi has become one of Africa's largest and most interesting cities. For the historically-minded, you'll be pleased to know that the city has not lost its sense of the past, with an excellent museum and the historical home of Karen Blixen, author of "Out of Africa", open to visitors. Just outside the city is Nairobi National Park, a haven for the nature loving.

From the wildlife to the nightlife, Nairobi is a city unlike any other. With a fantastic music scene, excellent international restaurants and an endless and colourful array of shops and markets, Nairobi is a city that will appeal to all walks of life.

Airport Transfers

For those requiring airport transfers, take only official or pre-booked taxis.

Please contact Paula Okello at UNIGLOBE Lets Go Travel to pre-arrange your transfers.

Tel: + (254)-20-4447151/4441030 Fax: + (254)-20-4447270/4441690

Email: paula@letsgosafari.com

Taxis can also be booked via the Crowne Plaza Hotel, Nairobi.

Credit Cards and ATMs

Traveller's cheques are widely accepted, and many hotels and restaurants accept credit cards. Most banks in Kenya are equipped to advance cash on credit cards. Many banks have 24-hour ATM machines.

Currency

The official currency is the Kenya Shilling (KSh). Notes are 50, 100, 200, 500 and 1000 shillings. Coins are 1, 5, 10, 20 and 40 shillings. Visitors to Kenya should change foreign currency at banks, bureaux de change or authorised hotels. The easiest currencies to exchange are US Dollars, Pounds Sterling and Euro. There are no restrictions on the amount of foreign currency that can be brought into Kenya. Before departure, travellers are advised to convert any excess Kenyan Shillings into foreign currency. Departure taxes may be paid in local or foreign currency.

Embassies and Consulates

All embassies are located in Nairobi. Hotels should be able to provide contact details for an individual country's embassy.

SCIENTIFIC PROGRAMME INFORMATION

The scientific sessions form the main part of the congress. The topics being presented over the three days are highly relevant to recent scientific, clinical and social developments in epilepsy.

The congress will have a different theme each day. Day one will focus on diagnosis, management of epilepsy and special populations. Day two will cover management gap, comorbidities, as well as research in Africa; and day three concentrates on primary healthcare and the way forward.

The programme contains a balanced mix of plenary sessions, topical lectures, lively interactive sessions and thought-provoking workshops.

A highlight of the programme is a special session where four Past Presidents of ILAE focus on a reflection of their own experiences, the progress and challenges of epilepsy in Africa or the developing world.

This session will be chaired by the President of ILAE, Solomon L. Moshé. Light refreshments will be served after this session.

**SCIENTIFIC PROGRAMME**

DAY 1		
Time	Type of Session	Thursday 21st June Diagnosis, Management of Epilepsy, Special Populations

POSTER PRESENTATIONS

Presenters should bring their acceptance letter and registration badge which will be required upon entry into the Poster Area. The Poster Area is located in the Pre-function / Foyer area of the congress venue.

The Scientific Advisory and Organising Committee would like to give the opportunity to poster presenters to meet with delegates who may have questions and would like to know about the work presented. In order to facilitate this process poster authors will be present with their posters during lunchtime on Thursday 21st and Friday 22nd June from 12:50-13:50.

Timetable:

Poster Set-up:	Thursday, 21st June	08:00-09:00
