# The 2019 KES International Education Fellowship

The Korean Epilepsy Society (KES) has established an annual fellowship program for promotion of epileptology in the Asian-Oceanian countries. Two young doctors interested in epileptology will be invited every year to attend the KES annual meeting and to make a short visit, either before or after the meeting, to selected hospital, epilepsy center in Korea.

Applicants must be 40 years old or younger on the first day of the KES meeting (June 14, 2019) who are trained and practicing in one of the Asian Oceanian countries, and **must make a presentation** at the KES meeting in Seoul, Korea, June 14 to 15 June, 2019, in English. Fellowship awardees will receive the amount of 3,000,000 KRW (approximately 3,000 USD) by the KES, which covers international travel fee to and from Seoul, Korea, and expenses for staying and trips within Korea for up to 3 months.

For application, please submit a **KES fellowship application form, a short curriculum vitae, a list of publication, a letter of recommendation and abstract for oral/poster presentation** to the Secretary of KES at the email addresses ([epilepsy@kes.or.kr](mailto:epilepsy@kes.or.kr)). The abstract for presentation should be written in English. Describe the title, authors' names, institutional affiliation, city, and country. Abstract structures are as follows: Purpose, Methods, Results, Conclusions. The text must not exceed 300 words. Please send abstract, CV, and a list of publications as electronic files either attached to an e-mail. The cover letter should include full mailing address, fax and telephone numbers, and e-mail address of the applicant. It is advised to indicate the area of interest in epilepsy (eg, pediatric epilepsy, epilepsy surgery, adult epilepsy, epilepsy research, etc); this information will be useful in order for international exchange committee to select institutions for a short visit. The applicant may specify medical institution(s) and/or physician(s) of interest.

Application must be received no later than **March 31, 2019.**

Jae-Moon Kim, MD, PhD  
Chair, Korean Epilepsy Society
