

14th September 2012

Dear all

RE: election to ILAE Executive Committee 2013-2017

It was with great pleasure that I received the news that I have been elected to the position of Secretary General of the ILAE for the next term of office. I feel honoured to have been appointed to this position.

As promised I will work toward finding ways to improve recognition of epilepsy as a health care priority in every part of the world. The ILAE has made enormous strides over the past years and I am passionate about being part of the team to take this forward so that the ILAE has major continued impact on epilepsy care worldwide

Looking forward to working with you all over the coming term

With best wishes

J Helen Cross
