

## Conversion of EACCME® credits to AMA PRA Category 1 Credit™

Through an agreement between the Union Européenne des Médecins Spécialistes (UEMS) and the American Medical Association (AMA), physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™.

Information on the process to convert EACCME® credit to AMA credit can be found at <https://edhub.ama-assn.org/pages/applications> and <https://edhub.ama-assn.org/pages/applications#international-credit-info>.

Please note that each physician should take care of the credit conversion themselves. All communication is handled through the physician's personal email address and the AMA will not communicate with a third party in relation to the physician's credit.

### Application process:

1. The physician must create an account on the AMA EdHub website <https://edhub.ama-assn.org/pages/applications>, using the physician's personal email address.  
It is not necessary to be an AMA member to create an account.
2. A verification email is sent to the email address provided.
3. Once verified, the physician can submit the application online, by fax or mail. The application form may be downloaded at <https://edhub.ama-assn.org/DocumentLibrary/edhub/applications/eaccme-application.pdf>.
4. The following must be submitted at the time of application:
  - Completed application form
  - Processing fee (currently USD 30 for AMA members and USD 75 for Non-AMA members)
  - Copy of the certificate of attendance for the 34th International Epilepsy Congress 2021 (the EACCME approved activity)
5. Once the application for the conversion of credit is approved, an email will be sent to the physician's email address with a link to their personal transcript.
