

**We continue
to educate.**

**Pharmacological treatment -
more than "just drugs"**

Date: 25.01.2021, 17h-19h CET

**Do's and don'ts in the epilepsy clinic: a guide
on initialising pharmacological treatment**

Laura Mantoan, King's College London, UK

Advanced pharmacological treatment:

There is no such thing as a "normal" patient

**Julia Höfler, Christian Doppler Klinik
Salzburg, AUT**

Can you see the horizon? What's coming in

**AED Jacqueline French, NYU Comprehensive
Epilepsy Center, USA**
