

We continue to educate.

**Pharmacological treatment – more than
"just drugs" 25. 01. 2021**

**Sex matters – management of
women with epilepsy 11.02.2021**

**Presurgical evaluation – the holy grail of
epilepsy? 25.02.2021**

**Surgery without surgery – new
approaches to target the epileptic focus
04.03.2021**

**Rare and complex epilepsies – not as rare
as we think 31.03.2021**
