

Q1 How was your overall experience with this symposium?

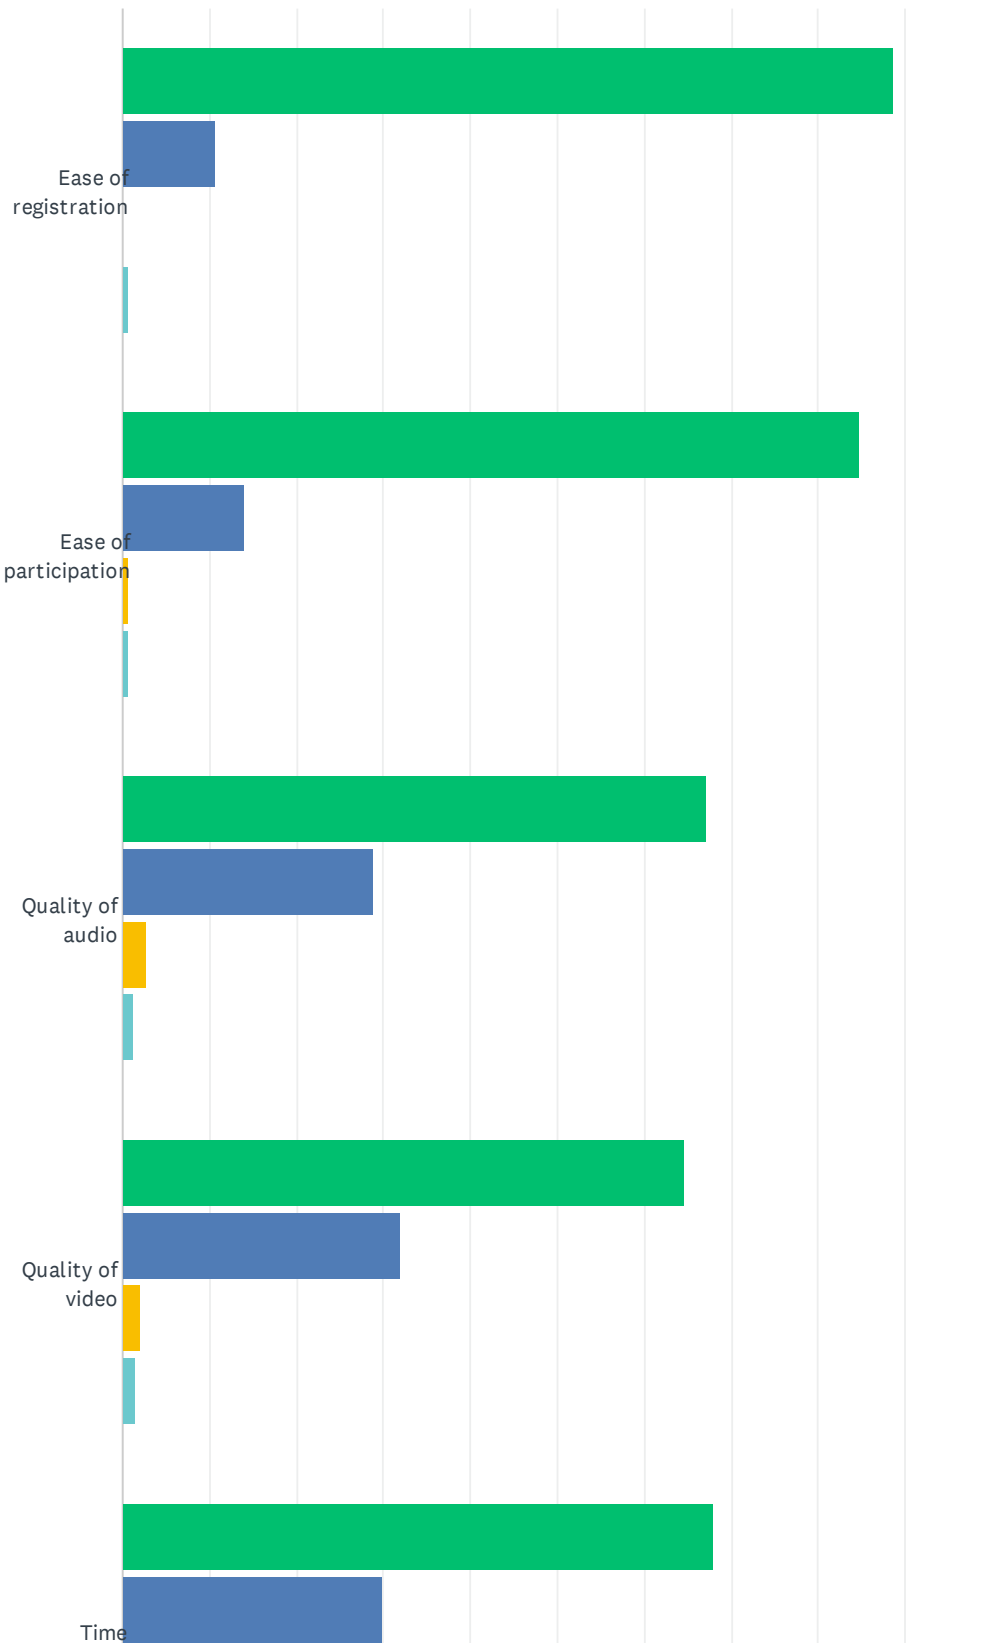

Answered: 150 Skipped: 0

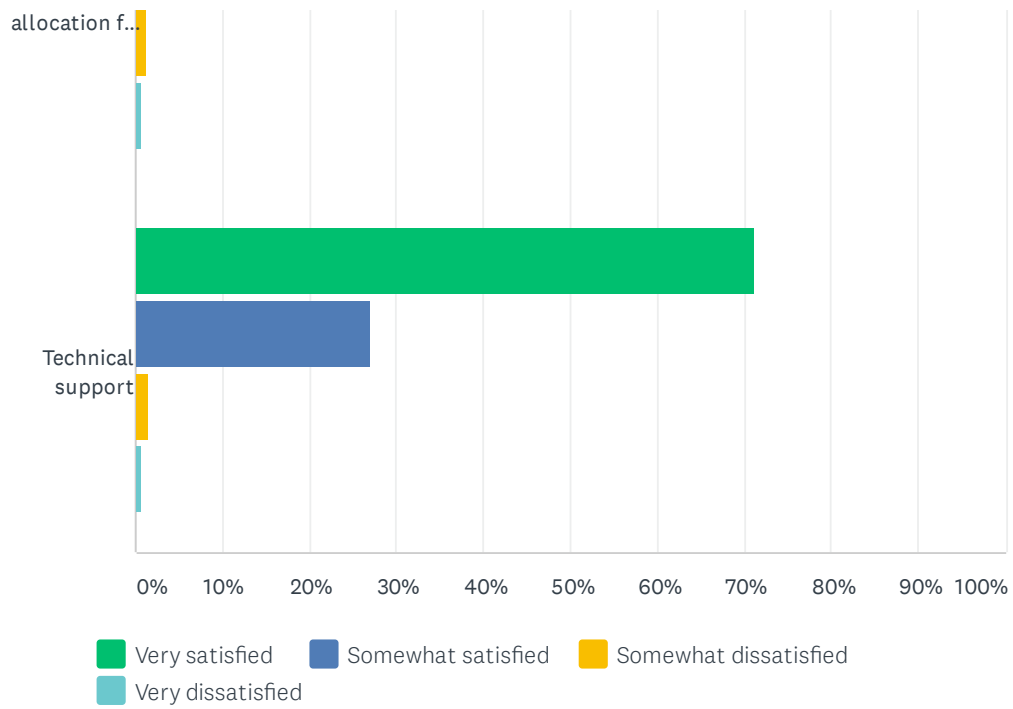

ANSWER CHOICES	RESPONSES	
exceeded my expectations	29.33%	44
fulfilled my expectations	60.67%	91
partially fulfilled my expectations	10.00%	15
did not fulfill by expectations	0.00%	0
TOTAL		150

Q2 Please indicate your overall satisfaction with the following aspects of the symposium:

Answered: 150 Skipped: 0

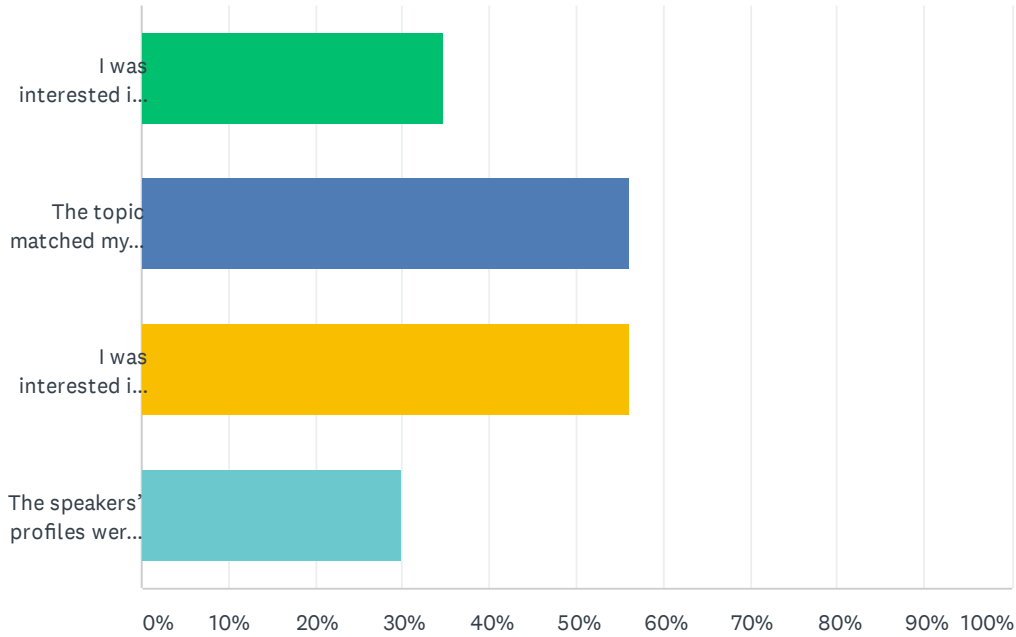

ILAE Virtual Symposium 2020 - Learnings from the COVID Pandemic: The New Normal - Post Survey

	VERY SATISFIED	SOMEWHAT SATISFIED	SOMEWHAT DISSATISFIED	VERY DISSATISFIED	TOTAL
Ease of registration	88.67% 133	10.67% 16	0.00% 0	0.67% 1	150
Ease of participation	84.67% 127	14.00% 21	0.67% 1	0.67% 1	150

Q3 Please choose the key reasons for choosing to attend the symposium:

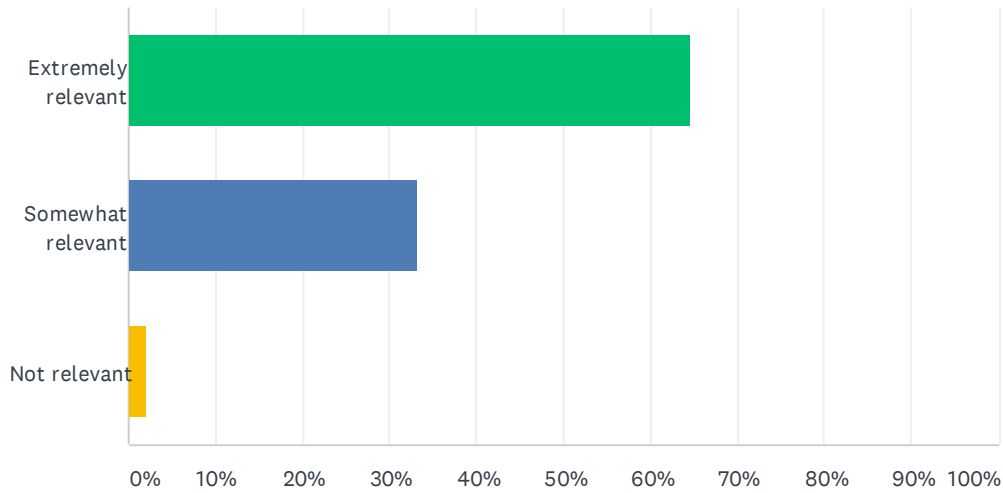

Answered: 150 Skipped: 0

ANSWER CHOICES	RESPONSES	
I was interested in the format	34.67%	52
The topic matched my educational needs	56.00%	84
I was interested in the practical aspects for my daily practice	56.00%	84
The speakers' profiles were very attractive	30.00%	45
Total Respondents: 150		

Q4 How relevant was the content for your professional activities?

Answered: 150 Skipped: 0

ANSWER CHOICES	RESPONSES
Extremely relevant	64.67% 97
Somewhat relevant	33.33% 50
Not relevant	2.00% 3
TOTAL	150

Q5 What was the most interesting part of the symposium for you ?

Answered: 150 Skipped: 0

Post Survey

#	RESPONSES	DATE
1	tele-medicine	9/19/2020 3:51 AM
2	It was the exchange of clinical experiences and the report of the pathologist	9/18/2020 2:03 PM
3	diagnostic,when to suspect covid	9/17/2020 12:56 PM
4	Conference about findings in brain, inflammation storm in brain without viral particles in brain. Wonderful Conference.	9/17/2020 10:21 AM
5	COVID, anti seizure medicine and comorbidity in elderly	9/16/2020 2:22 PM
6	I liked more the discussion about neurological implications in Covid 19 infection	9/15/2020 3:45 PM
7	Engaging speakers and switching between speakers made it very interesting	9/14/2020 8:14 PM
8	The discussion about "infodemic"and the challenges on education due to pandemic	9/14/2020 5:18 PM
9	Every aspect was interesting	9/14/2020 12:31 PM
10	pediatrician comments	9/14/2020 7:41 AM
11	Interesting session re autopsies and intracranial bleeds	9/14/2020 12:55 AM
12	Panel discussion	9/13/2020 2:34 PM
13	How the pandemic influence epilepsy management practice	9/12/2020 1:27 AM
14	the panel discussion	9/11/2020 11:50 PM
15	Psychosocial effects of the pandemic on people with chronic illness	9/11/2020 6:25 PM
16	Drug interactions	9/11/2020 5:20 PM
17	epilepsy and COVID 19	9/11/2020 3:44 PM
18	Teleconsult in Epilepsy	9/11/2020 1:57 PM
19	learning about neuropathological findings associated with Covid-19	9/11/2020 10:55 AM
20	Optimizing patient care during a pandemic	9/11/2020 9:54 AM
21	All of the discussion	9/11/2020 9:52 AM
22	All	9/11/2020 9:24 AM
23	How telemedicine is used in other countries	9/11/2020 8:09 AM
24	Case ckinic discussion	9/11/2020 7:47 AM
25	All part	9/11/2020 7:17 AM
26	The effect of covid to brain	9/11/2020 6:32 AM
27	Thema	9/11/2020 5:16 AM
28	Epilepsy management	9/11/2020 4:59 AM
29	pathology	9/11/2020 4:02 AM
30	Discussion of real-life experiences	9/11/2020 3:59 AM
31	Practical tips telemed and managing epilepsy	9/11/2020 3:24 AM
32	The q and a is most interesting	9/11/2020 3:21 AM
33	Treatment	9/11/2020 2:37 AM
34	Adjustment of examinations for epilepsy patients	9/11/2020 2:27 AM
35	Specialized care of epilepsy	9/11/2020 2:18 AM
36	Dr Blumcke's part	9/11/2020 2:11 AM
37	Session One: Clinical aspects; Also session on telemedicine	9/11/2020 2:02 AM
