

Dear President & officers of ILAE Chapters

Dear colleagues & friends

It is a great honor my desire to run for election for the member of The ILAE'S Commission of East Mediterranean affairs (CEMA) 2017-2021.

It has been privilege to serve as chairman of The ILAE Palestinian Chapter, Working hardly with other Neurologists for educational and research which are essential in understanding, diagnosing treating persons with epilepsy.

\* It is important strengthen the collaboration with The WFN & EAN and other professional organizations in Neurology that will contribute to the improvement of care and raising awareness about epilepsy.

\* Improve and encourage Local and Regional collaboration between committee of ILAE and IBE in action on epilepsy.

\* Encouraging a national support epilepsy program in agreement with WHO announcement.

I would be grateful for your support & Hope to work together for the people who is suffering from epilepsy over all the world

Yours Sincerely,

Adel J. Misk MD, Ass Prof.
