

16th Advanced San Servolo Epilepsy Course

Epilepsies in childhood and adolescence: diagnosis, management, evolution and transition to adult medical care

July 16th – 27th 2018 - San Servolo (Venice) Italy

Course Directors: Tiziana Granata (Italy) and Rima Nabbout (France)

The Course is primarily targeted at neuropediatricians, neurophysiologists, and neuropsychiatrists interested in the pathophysiology, diagnosis and management of epilepsies of childhood, and in research programs implementing in childhood epilepsy. Objectives of the Course are to understand i) the types, etiology and physiology and co-morbidities of epilepsies in children and adolescence, ii) the current treatment options, iii) issues related to transition to adult medical care, and iv) the clinical research methodology applicable to these patients. Physicians who are pursuing their training or have recently specialized in pediatric neurology, pediatrics, epileptology or clinical neurophysiology, and PhDs or PhD students are welcome to apply. The Course will be limited to a maximum of 50 applicants to allow an optimal level of interaction with the faculty. Applicants will be selected on the basis of their CVs and consideration will be given to ensure participation of trainees from different geographical origins and disciplines. The Course is supported by the **International League Against Epilepsy (ILAE)**.

Course Faculty: G Avanzini, S Moshe, C Camfield, P Camfield, C Chiron, H Cross, L Fusco, T Granata, CA Galimberti, R Kälviäinen, R Nabbout, F Ragona, I Scheffer, P Van Bogaert, J Wilmschurst, E Wirrell, D Andrade, S Auvin, N Boddart, C Bulteau, B Dalla Bernardina, O Dulac, S Franceschetti, J French, R Guerrini, K Busiah, C Marini, M Mula, B Plecko, E Perucca, N Specchio, CA Tassinari, F Vigevano, F Darra.
