

Pre-Congress Teaching Day		Day 1		Day 2			
07.00-07.15	ETAM: Epilepsy Training in Adult Medicine	Workshop: Career planning in epilepsy		Workshop: Grant Writing		07.00-07.15	
07.15-07.30		Workshop: Research Methodology		Workshop: Publishing Your Work		07.15-07.30	
07.30-07.45		IGAP Implementation		Justifying basic science in Africa – implications for clinical translation	Global Epilepsy Needs – Evidence Based Advocacy		07.30-07.45
07.45-08.00		The Epilepsy Pathway for Innovation in Africa (EPIInA) programme		Epilepsy as a sequelae of Malaria or HIV	Making Epilepsy a Health Priority in Africa Program		07.45-08.00
08.00-08.15		Coffee Break		Coffee Break		08.00-08.15	
08.15-08.30		Closing the gap in pediatric epilepsy: A multilevel approach		Understanding the clinical characterization & comorbidities of epilepsy among children & adults in Uganda	Exciting advancements in understanding the genetic landscape of epilepsy in Africa	Overcoming National-Level Barriers to Implementing IGAP: A Cases from Africa	08.15-08.30
08.30-08.45		Nursing education and epilepsy management in Africa					08.30-08.45
08.45-09.00		Linking PET and ETAM to the IGAP		The Role of Epilepsy Surgery in Sub-Saharan Africa	Understanding and addressing the epilepsy burden in onchocerciasis-endemic areas	Managing epilepsy in Zimbabwe - facilitators, barriers and lessons for other countries	08.45-09.00
09.00-09.15		Global/Highly Specialized Pediatric Neurocritical Care (PNCCL) Simulation-Based Training Curriculum: Interprofessional Education & Collaboration					09.00-09.15
09.15-09.30		Posters / Lunch		Posters / Lunch		09.15-09.30	
09.30-09.45		Platform Presentations		Platform Presentations		09.30-09.45	
09.45-10.00		Coffee Break		Coffee Break		09.45-10.00	
10.00-10.15		Refractory Epilepsy: Current concepts and management implications in Africa, role of Ketogenic Diet		The engagement of Governments to successfully implement IGAP Innovative Solutions for Epilepsy Awareness in Africa	Epilepsy Diagnosis in Underserved Areas: Challenges, Solutions and Future Directions	Lived Experience	10.00-10.15
10.15-10.30		Epilepsy Surgery: Can we do it in Africa?					Autoimmune encephalitis with a focus on their association with seizures as well as autoimmune epilepsies
10.30-10.45		Welcome Ceremony				10.30-10.45	
10.45-11.00		Welcome Reception				10.45-11.00	
11.00-11.15						11.00-11.15	
11.15-11.30						11.15-11.30	
11.30-11.45						11.30-11.45	
11.45-12.00						11.45-12.00	
12.00-12.15						12.00-12.15	
12.15-12.30						12.15-12.30	
12.30-12.45						12.30-12.45	
12.45-13.00						12.45-13.00	
13.00-13.15					13.00-13.15		
13.15-13.30					13.15-13.30		
13.30-13.45					13.30-13.45		
13.45-14.00					13.45-14.00		
14.00-14.15					14.00-14.15		
14.15-14.30					14.15-14.30		
14.30-14.45					14.30-14.45		
14.45-15.00					14.45-15.00		
15.00-15.15					15.00-15.15		
15.15-15.30					15.15-15.30		
15.30-15.45					15.30-15.45		
15.45-16.00					15.45-16.00		
16.00-16.15					16.00-16.15		
16.15-16.30					16.15-16.30		
16.30-16.45					16.30-16.45		
16.45-17.00					16.45-17.00		
17.00-17.15					17.00-17.15		
17.15-17.30					17.15-17.30		
17.30-17.45					17.30-17.45		
17.45-18.00					17.45-18.00		
18.00-18.15					18.00-18.15		
18.15-18.30					18.15-18.30		
18.30-18.45					18.30-18.45		
18.45-19.00					18.45-19.00		
19.00-19.15					19.00-19.15		
19.15-19.30					19.15-19.30		
19.30-19.45					19.30-19.45		
19.45-20.00					19.45-20.00		
20.00-20.15					20.00-20.15		
20.15-20.30					20.15-20.30
