

Joint ILAE / IFCN EEG Database Task Force

2021 Annual Report

Members

Sándor Beniczky (Denmark), chair

ILAE:

Jean Gotman (Canada), Executive Committee liaison

Ingmar Blümcke (Germany)

Don Schomer (USA)

William Tatum (USA)

Sam Wiebe (Canada)

Elza Marcia Yacubian (Brazil)

IFCN:

Aatif Husain (USA), EC Liaison

Luis Caboclo (Brazil)

Nick Kane (UK)

Akio Ikeda (Japan)

Marcus Ng (Canada)

Paolo Rossini (Italy)

Michel van Putten (Netherlands)

Pedro Valdes Sosa (Cuba), OHBM Liaison

Christoph Michel (Switzerland), OHBM Liaison

Highlights

1. In 2021 we continued working on the educational dataset and we developed consensus on the gold standards for the recordings.
2. At the end of the term, the dataset is ready for implementation.
3. As soon as the web-based video-EEG platform is developed, we will export the dataset to the platform.
