#### Highlights

1. The "Epilepsy Nurse Task Force" became "ILAE Nursing Section".
2. Planning a 90-minute session at the European Epilepsy Conference in 2022 July in Geneva. Based on the programme approved in July 2020.
3. Developing a needs assessment to get input from all regions of the world.
4. Educational curriculum: finishing feedback on competencies and objectives now then will prepare for review by external nurse reviewers.

#### Other Activities

Marielle Prevos-Morgant (France-Switzerland) is no longer chair of the Nursing Task Force due to a new professional position. From 2021 August, the new chair is now Patricia Osborne Shafer (USA). Congratulations to Patricia!
