### FUTURE PLANS FOR 2023

- Participate in the Oman neurology conference in September 2023
- Celebrate Epilepsy Day from 16 February with several activities using social media and an exhibition

### RESEARCH AND ARTICLES PUBLISHED

Several papers were published by members of the league.

### MEETINGS

The chapter held 3-4 monthly meetings to discuss various educational and administrative aspects of the chapter business.

A promotional poster for a CME activity. The title is 'PHOTOSENSITIVITY IN CLINICAL PRACTICE' by Dr. Dorothee Kasteleijn. The location is Crowne Plaza (Al-Qurum) and the date is 08/09/2022, Thursday at 7:30 pm. The poster features logos for the Oman Epilepsy Society, Oman Neurology Society, and Oman League Against Epilepsy. The design includes green leaves and a red and green wave at the top.
