

ASEPA Semiology and Neuroimaging Course, Kuala Lumpur, 12-13 July 2024

The ASEPA Semiology and Neuroimaging Course was organised by the Malaysian Epilepsy Council and ILAE-Asia and Oceania Asian Epilepsy Academy (ASEPA) on 12-13 July 2024. The local organising team was led by Dr Kheng-Seang Lim and Dr Si-Lei Fong. The international speakers and tutors were Dr Chong Wong from Australia, Dr Zhang Wei from China, Dr Piradee Suwanpakdee from Thailand, Dr Shang-Yeong Kwan from Taiwan, Dr Zarine Mogal from Pakistan, and Drs Chong-Tin Tan, Raymond Azman Ali, Hui-Jan Tan, Sally Tee, Sherrini Bazir Ahmad, Shirley Lee, Norlisah Ramli, Kartini Rahmat, Si-Lei Fong and Kheng-Seang Lim from Malaysia. There were 87 participants from 7 countries (Indonesia, Vietnam, Malaysia, Singapore, Myanmar, Bangladesh and Pakistan), of which 41 participated virtually. The course focused mainly on phase I assessment in epilepsy presurgical evaluation. Besides lectures, the highlight of the course is the small-group tutorial-based format, allowing every participant to go through the history, semiology, EEG, and imaging of the cases.

Report prepared by,
Dr. Kheng-Seang Lim
ILAE-AO Secretary
Chair, ASEPA Semiology and Neuroimaging Course

Tutors (left to right): Kheng-Seang Lim, Zhang Wei, Shirley Lee, Piradee Suwanpakdee, Hui-Jan Tan, Sally Tee, Sherrini Bazir Ahmad, Si-Lei Fong, Chong Wong, Chong-Tin Tan and Dr Raymond Azman Ali (not in the photo), Shang-Yeong Kwan and Zarine Mogal (participated virtually)

Faculty members and 87 participants from 7 countries

Small group tutorial-based format allowing participation of every member
