

Epilepsy: A Century of Discovery

Chapter 1 - Basic Mechanisms of the Epileptic Process (pp.1-30)

Authors / Editors: (Radwa Badawy)

Chapter 2 - Epilepsy: Classification, Aetiology and Management (pp.31-40)

Authors / Editors: (Jane McCagh)

Chapter 3 - Anti-Epileptic Drugs: Behavior and Cognition (pp.41-64)

Authors / Editors: (Andrea E. Cavanna and Clare M. Eddy)

Chapter 4 - Clinical Neurophysiology: Past, Present, and Future (pp.65-84)

Authors / Editors: (Ramon Edmundo D. Bautista)

Chapter 5 - Neuroimaging in Epilepsy (pp.85-132)

Authors / Editors: (Aimee F. Luat and Csaba Juhász)

Chapter 6 - Understanding Human Neurophysiology through Epilepsy Surgery (pp.133-150)

Authors / Editors: (Seth F. Oliveria, Kristopher G. Hooten, and Steven N. Roper)

Chapter 7 - Emerging Fields in the Diagnostic and Treatment Modalities of Epilepsy (pp.151-172)

Authors / Editors: (Leonard Yeo Leong Litt, Vijay K. Sharma, Benjamin Wakerley, Chandra Bharatendu, and Rahul Rathakrishnan)

Chapter 8 - Pediatric Epilepsy: A Century of Discovery (pp.173-192)

Authors / Editors: (Shefali Karkare and Vinay Puri)

Chapter 9 - Genetic Abnormalities Underlying Autosomal Recessive Epilepsies (pp.193-216)

Authors / Editors: (Riadh Gouider, Yosr Hizem, Amina Gargouri, and Mouna Ben Djebara)

Chapter 10 - Subacute Sclerosing Panencephalitis and Epilepsy (pp.217-232)

Authors / Editors: (Marissa Barlaan-Lukban)

Chapter 11 - Psychiatry and Epilepsy: A Century of Evolving Understanding (pp.233-256)

Authors / Editors: (Jay Salpekar and Nana Dadson)

Chapter 12 - Social Epileptology: Into the Heart of Epilepsy (pp.257-274)

Authors / Editors: (Ramon Edmundo D. Bautista, Shachie V. Aranke, and Suparna R. Krishnaiengar)

Chapter 13 - Globalization in Epilepsy Care (pp.275-294)

Authors / Editors: (Vladimir Shvarts, Jorge G. Burneo, and Marianna V. Spanaki)

Open Access Chapter. Free Download Available

Chapter 14 - A Century of Epilepsy Care: Questioning Assumptions, Seeking Evidence (pp.295-320)

Authors / Editors: (Ramon Edmundo D. Bautista, Shachie V. Aranke, Deepali Y. Jain, and Candice S. Waked)
