

ASEPA Video-EEG Course in Bali, Indonesia, on 6-7 August 2025

The ASEPA Video-EEG Course in Bali, Indonesia, on 6-7 August 2025. This is a pre-congress workshop in conjunction with the ASEAN Neurological Association (ASNA) biennial convention. The local organising team was led by Dr Aris Catur Bintoro and Dr Fitri Octaviana. The international speakers and tutors were Dr Chong Wong and Michael Fong from Australia, Dr Piradee Suwanpakdee from Thailand, Dr Silei Fong from Malaysia, and Dr Minh-An Thuy Le from Vietnam.

There were 48 participants from 7 countries (Indonesia, Vietnam, Malaysia, Myanmar, and Pakistan). The course focused mainly on phase I assessment in lesional epilepsy. Besides lectures, the highlight of the course is the small-group tutorial-based format, allowing every participant to go through the history, semiology, EEG, and imaging of the cases.

Report prepared by,
Dr. Kheng-Seang Lim
ILAE-AO Secretary
